Effective Communication (G242) & Decision Making in a Crisis (G247)

G-242, Effective Communication
focuses on analyzing
communications issues, listening
effectively, understanding
nonverbal communication,
speaking in public, and working
with mass media.

G-247, Decision Making In a Crisis
is a workshop designed to enable
decision-makers to shift gears from
normal office to crisis environments
for making decisions. The workshop
provides practical exercises and
activities to apply problem solving
models, assess implication of
decision making, monitor the impact
of decisions, and develop alternative
strategies.
